## Verse 1

There's a pain deep down inside, it's been there for a while  
Telling me it's time to act  
But all I want to do is hide, continue living in denial  
'Cause I'm afraid how you'll react

## Verse 2

Doubt is driving me insane, I wish we were just friends  
But in me something has changed  
If I could look inside your brain, would we be holding hands?  
Or would you think that's strange

## Chorus 1

I want to tell you how I really feel  
How I love you, even though it's so unreal  
Will you hold me, when I let it out?  
Can't turn back now

## Verse 3

Not to know if you'll be mine, is a pain I cannot bear  
It tears my heart in two  
Yes, it tells me it is time, to say how much I care  
That I want to be with you
