Verse 1

My daddy told me to be patient
For good things to come to me
Plan and scheme and use my brain first
So life would go easily
Stay calm - stay cool
Or you'll become a reckless and stupid bloody fool

Verse 2

But I am bad at being careful
Life will just pass me by
And waiting is the biggest killjoy
I'll take the plunge and try to fly
My heart always knows which way I should go
Even if my brain says no, no, no, no

Chorus

A quiet life is not my ambition
I couldn't if I tried (tried!)
My only guide is my intuition
Because it's always right, yeah, it's always right!

Verse 3

So when I met her, Mrs Perfect
I didn't stop to think
Why waste love? I said 'Let's get married'
After we had just one drink
But 'no' was her reply; was I out of my mind?
Oh, how I thought that we were two of a kind!

Bridge

I mourned for days, I couldn't eat, did not sleep
I knew she was the one
And suddenly after waiting a week
She texted 'What the hell', I punched the air and yelled
My gut feeling can always tell!
