Verse 1

I don't look different and act the same
I even have a normal name
But I don't think the way you do
And turn my eyes towards the blue... sky

Chorus 1

My home between the stars
That's where I go, when I'm all alone
I'm floating through space, with alien grace
To escape earthly gravity
Be on my own with beautiful formulas
In my home between the stars
My home between the stars

Verse 2

If I were dumber, I'd really believe
Outer space is where I should live
But it's much harder to know I can't
To realise I'm stuck to land... to land

Chorus 2

Where normal people live
To whom I really have nothing to give
But my logical mind, and all my smart finds
To solve their problems and ease their lives
And when I am done I flee and quickly return
To my home between the stars
My home between the stars

I do my best to accept my fate
Ignore the things I hate
Chit chat, neighbours and family do's
Maybe one day, one day, who knows...
I'll be

Chorus 3

At home between the stars
Where I will go, to be all alone
Floating through space, with alien grace
No longer pulled by gravity
And be the person I've always longed to be
At home between the stars
At home between the stars
