## Verse 1

Late again, the seventh time  
I smell perfume, but it isn't mine  
You come to bed and say goodnight  
With just one kiss, turn off the light

One lousy kiss

## Chorus

Sometimes love will try to get you down  
Makes you want to run and hide  
New options rise where old ones fall  
I take it in my stride  
Just take it in my stride

You tell your lies straight to my eyes
